Furniture designed for life

A white, ornate vanity table with a large mirror, a chair, and various items on the table. The vanity table has a curved top and a large mirror with a decorative frame. On the table, there is a vase of white flowers, a perfume bottle, and a small box. The chair is white with a pink cushion and a cane back. The background is a light-colored wall with a decorative swirl pattern.

**T**he Ivory bedroom collection is crafted from solid Birch and Birch veneers combined with a unique, hand painted, lacquered finish. Taking its inspiration from the designs of 18th century French furniture, the collection is stylish and sophisticated and the mellow tones and soft curves create a tranquil, relaxed atmosphere. The distressed paint finish on this range is achieved through the application of several layers of paint which are then gently aged in places. The hand finishing of each individual item and the appearance over time of hairline cracks in the paint finish - a natural part of the ageing process - results in a subtle variation in finish between pieces giving each piece its own unique character.
