Crafted from solid American white Oak and Oak veneers, the Lyon bedroom collection combines traditional French rustic design with a contemporary wood finish producing a range that is not only beautiful, but also full of character. The golden tones of the wood are enhanced by the subtle, lacquered finish. The pared down classic design results in a range that suits both modern and country living. The elegant curves of the sleigh bed are perfectly complimented with the unfussy solidity of the other items, producing a range with style and distinction.

The range has a unique quality due to the fact that the small imperfections that characterise the timber have occurred naturally in the forest rather than through an artificial distressing process.

Grain detail and occasional knotting adds authentic character.
